La Bateau Sun Odyssey 44i

Available for Captained Charter Only

The Sun Odyssey 44i is one of the more popular yachts in the Jeanneau Sun Odyssey line of cruising sailboats. You will find 'La Bateau' combines sailing performance with indulgent comfort. This boat is the three cabin/two head version, which includes three generous cabins. The cockpit is expansive with a large cockpit table perfect for relaxing at anchor. The twin steering wheels provide the perfect vantage point for helm control and give easy access to the sugar-scooped stern, walkthrough transom, and swim ladder.

This modern, 45 ft. sailboat is designed to go further and faster, and to be easily sailed short-handed. The Sun Odyssey 44i affords extraordinary comfort, whether at sea or at anchor.

This model Jeanneau 44i is the three cabin, owner-forward version, with ample space for a family or guests. The spacious forward stateroom is quite spacious and boasts a large, boat-queen-size berth. All berths are equipped with premium mattresses. The salon table converts to an additional double berth. La Bateau can comfortably accommodate up to 8 adults overnight. La Bateau has 2 heads, each equipped with a shower and electric flush toilet. The forward head includes a fold-out partition that creates a nice, enclosed shower space. All interior lights were upgraded to highly efficient LEDs, providing lots of light without draining the house battery bank.

La Bateau is equipped with a full galley, which includes a 3-burner stainless steel stove with thermostatically controlled oven and stainless steel protection bar, double basin sink with hot and cold water, microwave, 12v refrigeration with stainless steel door for side access, and separate 12v freezer.

La Bateau is equipped with a 10 ft. Highfield 310 Rigid Inflatable dinghy with a 6HP Tohatsu 4-stroke outboard motor, able to accommodate 5 people.
